CREATIVE LEADERSHIP & WORK EXPERIENCE

9 YEARS • SEA REGION

AI Creative Manager — Phibious Vietnam
2025 – Present

— Direct commercial visual strategy and generative AI production for Fortune 500 brand campaigns, scaling asset throughput by 60% while maintaining uncompromising brand fidelity.

— Own the creative-tech roadmap and SOPs, architecting customized ComfyUI and FLUX.1 LoRA node pipelines that compressed campaign concept-to-pitch cycles from days to hours.

— Lead departmental P&L, production budgeting, and GPU infrastructure ROI; direct and mentor 20+ producers, art directors, and motion designers to maximize creative margins.

eCommerce Design Lead — Procter & Gamble (P&G)
2020 – 2025

— Directed end-to-end visual strategy and digital execution for P&G Hair Care portfolio (Head & Shoulders, Pantene, Rejoice) across 6 Southeast Asian regional markets.

— Engineered an enterprise modular design system with reusable UI/visual components, slashing quarterly asset adaptation time by 3× across 200+ campaign deliverables.

— Established automated QA review frameworks and partnered with growth marketing to optimize creative variants, achieving sustained double-digit CTR and conversion gains.

Production Creative Lead — INN SaiGon
2019 – 2020

— Led multimedia photography and video production for 30+ premier hospitality, lifestyle, and luxury F&B clients, reducing post-production turnaround by 40%.

— Oversaw quarterly production budgets up to $200K, establishing rigorous studio lighting, camera capture protocols, and high-end color grading standards.

Regional Head of Design — ASIAMARINE
2018 – 2019

— Orchestrated brand identity and luxury marketing collateral for Vietnam's premier yacht brokerage, elevating brand equity across regional clientele.

— Art directed the flagship 120+ page quarterly NAVIGATOR luxury publication, managing bilingual typography, bespoke editorial grid layouts, and press production.
