/01 EXECUTIVE THESIS

Summary & Metrics

Creative Director and Systems Architect with 9+ years uniting commercial art direction, enterprise design governance, and production software engineering. Directed multi-market visual systems for Procter & Gamble across 6 Southeast Asian markets and built custom generative AI pipelines (ComfyUI, FLUX.1 LoRA, Runway Gen-3) that cut campaign turnaround by 60%. Beyond commercial creative leadership, independently architects full-scale open-source ecosystems—including KV-TrimUI (18 native Rust & hybrid handheld apps across 6 Linux/Android OS distributions), VietC Linux IME, and the Synology DSM App Hub.

/02 WORK EXPERIENCE

9+ Yrs Leadership

2025 – Present
AI Creative Manager
Phibious Vietnam

+ Direct commercial visual strategy and generative AI production for regional and multi-market brand campaigns, scaling asset throughput by 60% while maintaining strict brand fidelity.
+ Own the creative-tech roadmap and SOPs, architecting customized ComfyUI and FLUX.1 LoRA node pipelines that compressed campaign concept-to-pitch cycles from days to hours.
+ Lead departmental P&L, production budgeting, and GPU infrastructure ROI; direct and mentor 20+ producers, art directors, and motion designers to maximize creative margins.

2020 – 2025
eCommerce Design Lead
Procter & Gamble (P&G)

+ Directed end-to-end visual strategy and digital execution for P&G Hair Care portfolio (Head & Shoulders, Pantene, Rejoice) across 6 Southeast Asian regional markets.
+ Engineered an enterprise modular design system with reusable UI/visual master components, slashing quarterly asset adaptation time by 3× across 200+ campaign deliverables.
+ Established automated QA review frameworks and partnered with growth marketing to optimize creative variants, achieving sustained double-digit CTR and conversion gains.

2019 – 2020
Production Creative Lead
INN SaiGon

+ Led multimedia photography and video production for 30+ premier hospitality, lifestyle, and luxury F&B clients, reducing post-production turnaround by 40%.
+ Oversaw quarterly production budgets up to $200K, establishing rigorous studio lighting, camera capture protocols, and high-end color grading standards.

2018 – 2019
Regional Head of Design
ASIAMARINE

+ Orchestrated brand identity and luxury marketing collateral for Vietnam's premier yacht brokerage, elevating brand equity across regional clientele.
+ Art directed the flagship 120+ page quarterly NAVIGATOR luxury publication, managing bilingual typography, bespoke editorial grid layouts, and press production.
